

CYBER WEEK IS RED HOT:
**Sail for as low as
\$99 per night.**

Make sure that you Sailors take full advantage of your holiday time off this December, with one of 7 relaxing Caribbean sailings starting at \$99 per Sailor per night in an Insider cabin, and \$129 per Sailor per night in a Sea Terrace cabin.

It's simply a quick flight (or ride) over to Miami to then revel in 4 to 8 restorative nights at sea and an entire, blissful day at the Beach Club at Bimini, with plenty of time still to celebrate the holidays with loved ones.
