

## *Dubrovnik, Croatia*

The private tour starts with a drive to the top of Srdj hill at a height of about 1,500 feet for spectacular views over the Old Town of Dubrovnik and the surrounding area. After enjoying the panoramic views, rejoin your vehicle and drive to a small picturesque seaside resort town of Cavtat, which was the Ancient Roman City of Epidaurus. Over the years Cavtat has been a favorite destination for sailors and yacht enthusiasts, in fact Edward the Eighth and Wallis Simpson came here during their honeymoon. Here you will have opportunity for a pleasant walk along the beautiful seafront promenade or grab a coffee in one of many cafe clubs located along the coast. After your visit to this colorful historic town, head back to Dubrovnik. A walking tour of the Old Town will give you a chance to see the Adriatic pearl and along the route, visit one of its landmarks, the Dominican Monastery Museum showing the best of the Renaissance paintings the Dubrovnik region has to offer.

Another option is to explore Dubrovnik at your leisure during your sightseeing tour via private car. Customize your own itinerary or choose to see an overview of the area's highlights. Depart the pier with your English-speaking guide in an air-conditioned vehicle and discover the city and surrounding areas at your own pace. Your exclusive tour concludes back at the pier. The local guide can give additional suggestions on what to see and adjust the itinerary according to the available time and the traffic conditions on the day.
